Cookie Policy

Effective Date: 28-Sep-2024

Last Updated: 28-Sep-2024

What are cookies?

This Cookie Policy explains what cookies are and how we use them, the types of cookies we use i.e, the information we collect using cookies and how that information is used, and how to manage the cookie settings.

Cookies are small text files that are used to store small pieces of information. They are stored on your device when the website is loaded on your browser. These cookies help us make the website function properly, make it more secure, provide better user experience, and understand how the website performs and to analyze what works and where it needs improvement.

How do we use cookies?

As most of the online services, our website uses first-party and third-party cookies for several purposes. First-party cookies are mostly necessary for the website to function the right way, and they do not collect any of your personally identifiable data.

The third-party cookies used on our website are mainly for understanding how the website performs, how you interact with our website, keeping our services secure, providing advertisements that are relevant to you, and all in all providing you with a

better and improved user experience and help speed up your future interactions with our website.

Types of Cookies we use

Necessary

Cookie	Duration	Description
rc::a	Never Expires	This cookie is set by the Google recaptcha service to identify bots to protect the website against malicious spam attacks.
rc::c	Session	This cookie is set by the Google recaptcha service to identify bots to protect the website against malicious spam attacks.

Functional

Cookie	Duration	Description
elfsight_viewed_recently	Less than a minute	This cookie is used by the Elfsite widget to store information about the user's recent interactions with the contact form. It is used to improve the user experience by keeping track of sessions and allowing the contact form to work more efficiently.

Analytics

Cookie	Duration	Description
_ga	1 year 1 month 4 days	Google Analytics sets this cookie to calculate visitor, session and campaign data and track site usage for the site's analytics report. The cookie stores information anonymously and assigns a randomly generated number to recognise unique visitors.
_ga_*	1 year 1 month 4 days	Google Analytics sets this cookie to store and count page views.
